

Shamanics in Portugal Forthcoming Events Calendar 2017

Within all our work at *Shamanics in Portugal* we are not constrained by rigid boundaries. Rather we allow the energy circle to inform the teachings as each circle is unique. In this way teachings are blended and adapted to suit the individual – opening our hearts to the wonders of all we can learn every day from our experiences.

We offer you our learnings and teachings. We offer them to you with open hearts, and a knowing they will help guide you to yourself, your soul self, to be in your full potential.

Each event will provide you with different perspectives on how to integrate the spiritual insights and techniques of shamanism into your life. As each event is unique, so is each ceremony.

All events include meals, vegetarian, as well as refreshments through each day. As our purpose is to connect and be in balance with nature, the *Quinta da Ribeira* site is off-grid. We view ourselves as caretakers and so seek to ensure minimal impact from our presence.
